

**APPLICATION FOR VARIANCE FROM ISDTA RULING  
AT STATE CONTEST DUE TO DISABILITY**

ISDTA Rules require that each team utilize the same number of dancers and the same dancers for all categories entered by that team except for Coed, All-Male, Color Guard and Show Production categories. A variance from this rule will be allowed only if a performer has a **permanent disability** that would be recognized and considered to be covered by the Americans with Disability Act (ADA).

An individual with a disability is defined by the ADA as a person who has a physical or mental impairment that substantially limits one or more major life activities. This does not apply to a temporary injury such as knee surgery, rolled ankle, pulled hamstring, etc.
